RIDE RESPONSIBLY!
Over 600 snowmobile clubs and thousands of landowners provide over 25,000 miles of trails in Wisconsin for your snowmobiling enjoyment. All land belongs to someone so if you ride off the trails without landowner permission, you are trespassing. Know and obey the snowmobile laws. They are written and enforced for your safety. Help us keep Wisconsin snowmobiling the best.

The Future of Wisconsin Snowmobiling Depends on YOU!
Safe Snowmobiling is Your Responsibility

Slow Down! Excessive speed is dangerous to both you and other snowmobilers. Every trail ride is not a cross-country race.
Ride Sober! Alcohol or drugs affect your riding ability, have the party for after the ride.
Stay on Trails! The trails are established for safe riding. Many trails are on private property and will be closed if there are problems.

GPS INFORMATION
Although nearly all of the trail intersections in Columbia County are well marked, snowmobilers who are familiar with or may be using GPS (Global Positioning System) units will note that new trail maps show latitude and longitude coordinates along the margins that may be helpful in pinpointing your location.

PLEASE BE A RESPONSIBLE SNOWMOBILER

All trails are subject to change pending landowner permission.
Safety course required if born after 1/1/1985.

Arlington Prairie Drifters - Cambria Moonlighters - Camper Country Snowriders - Columbus-Fall River Blazers - Doylestown Snow-Hoppers
New Haven Sno Streakers - Randolph Trail Busters - Rocky Rue Riders - Winnebago Ridge Runners - Yellow Thunder

Trail Passes
Effective May 1, 1998, a new Wisconsin law requires that all out-of-state registered snowmobiles display a Wisconsin trail use sticker at gun when being operated on any public location, such as trails or parks, lakes and reservoirs, or other locations where permission is required to operate, such as a Deer G&L area owned by the operator.
Trail passes are available through DNR service centers and many private businesses or locations where appropriate have been made to handle the passes. Cost for a trail pass is \$15, and they are valid from April 1st through March 31st.
Passes from these passes are designated for advancement of the Wisconsin snowmobile program.
We would like to thank all the volunteers for their support of the Columbia County snowmobiling program.
Please purchase these advances.
Happy Snowmobiling!
